Dear Jim:

I think your draft on H.R. 5164 is quite good; I agree with all your arguments. I would, however, like to suggest the inclusion of my pet complaint -- no Vaughn indexes.

I am enclosing letters I sent to the House Intelligence Committee and the Nation. Despite the conciliatory tone of the letters, I think the legislation is atrocious.

Let me know if I can be of any assistance.

Regards,

David L. Sobel
